

REMARKS

The disclosure has been objected to due to numerous grammatical errors and inconsistencies in the specification. Please note that the specification has been amended to correct these errors. Enclosed herewith is a substitute specification, one copy showing all of the changes and the other a clean copy. No new matter has been added to the application.

Claims 1-13 have been rejected under 35 U.S.C. §112, second paragraph. The claims have been amended to obviate the Examiner's rejection.

The Examiner has indicated that claims 1-13 would be allowable if rewritten or amended to overcome the rejection under 35 U.S.C. §112, second paragraph. Please note that the claims have been amended to obviate the Examiner's rejection.

In view of the foregoing, it is believed that the amended claims and the claims dependent there from are in proper form.

The application is now considered to be in condition for allowance, and an early indication of same is earnestly solicited.

Respectfully submitted,
